The required payment must be postmarked, paid over the phone, paid online or paid in-person at one of our AAA office locations during normal business hours prior to the cancellation date/time or the policy will be cancelled for nonpayment of premium and all coverage will cease as of that time. If payment is not made or is made for less than the required amount, the amount due must be paid before the cancellation date/time to ensure that the insurance coverage does not lapse.

Whenever a premium payment is returned unpaid by your financial institution, we may, at our option, notify you in writing that the entire outstanding premium balance is immediately due and payable in cash or by cashier's check or money order at one of our AAA office locations. All returned payments, whether by check, electronic transaction, or other form of payment may be presented again electronically for payment. Each returned payment and each late payment is subject to a fee that may also be debited electronically. Fees are subject to change without notice.

Payments are accepted from U.S. financial institutions only.

Automatic Payments:

Automatic debits from your checking account for insurance policies will begin with the first automatic payment billed after the Authorization Agreement is received and processed. (Please allow 15 days for processing.) Until then, your insurance premium payment is still due on the date shown on your most recent billing statement. If you enroll in automatic payments for more than one insurance policy, the processing bank will determine the order of processing debits (i.e., the order of payment) for each policy.

Automatic payments are subject to all applicable finance charges, installment and other fees.

We gave you notice of the amount of all applicable finance charges and/or fees at the time you applied for the insurance policy(s) above and upon renewals of your policy(s). Installment payment plans and all fees are subject to change without notice.

Policyholders who have payments returned unpaid from their financial institution may have automatic payments authorization revoked as to all insurance policies by the Exchange. In the event that this occurs, you will be notified by mail and a return payment fee and late fee may be added to your bill (or to a second attempted debit to your account). If automatic payments are revoked, installments remaining for the current insurance policy period will be billed on your regular payment plan with statements mailed to you.

If an error is made the Exchange can correct it by initiating debits or credits.

You may revoke enrollment in automatic payments, as to any one or more insurance policies, at any time by signing and dating a written request and mailing it to: AAA/Interinsurance Exchange of the Automobile Club, P.O. Box 25006, Santa Ana, CA 92799-5006. While not required, a revocation form is available for your use upon request by contacting us at (800) 924-6141 or your local office.

Insurance is provided to qualified Auto Club members by the Interinsurance Exchange of the Automobile Club ("Exchange").
